Hi!

My name is Chico Colt. This is the first yearbook I've ever appeared in. Sure am happy to help the Epitaph in its debut.

This year has really been a blast for me! I saw my fellow Colts stomp their Washington rivals in a hard-fought football game. I watched the advanced drama class enact "Lavender and Old Lace" and the senior class do a fine play. I was there when the faculty displayed their follies, and when the coaches and the teachers played basketball with the Harlem Clowns. And I'll never forget the fun it was, planning the senior ball at the Hotel Claremont.

I'm proudest of all when I recall that Logan High is one of the newest schools in the whole world. Beautiful buildings . . lovely grounds . . tons and tons of spirit . . a great student body.

I'll miss the seniors, but I'll be looking forward to next year and more good times.

Student Assembly

Exchanga Italiano

When Maria Zarattini first arrived in the United States she had a limited knowledge of English. She met her foster parents, Mr. and Mrs. Harold Strauel, and their two daughters, Sandy and Diane, and in no time at all she was a typical American teenager. She was not "the foreign exchange student" . . . she became "Maria — another Loganer."

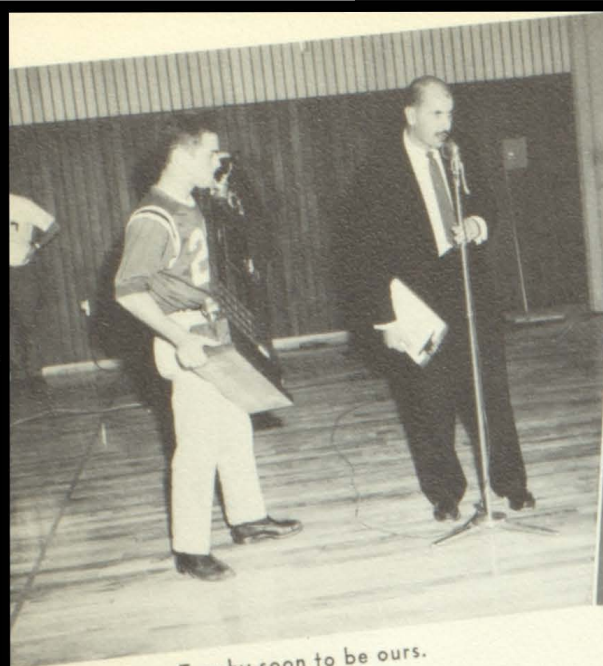

Maria was impressed by the beautiful highways and the many automobiles. She enjoyed the freedom the American youngsters have.

After only three short months, Maria's vocabulary of American words increased. Part of her vocabulary included typical teenage jargon — expressions like "tore up" . . . "is boss" . . . "is no lie."

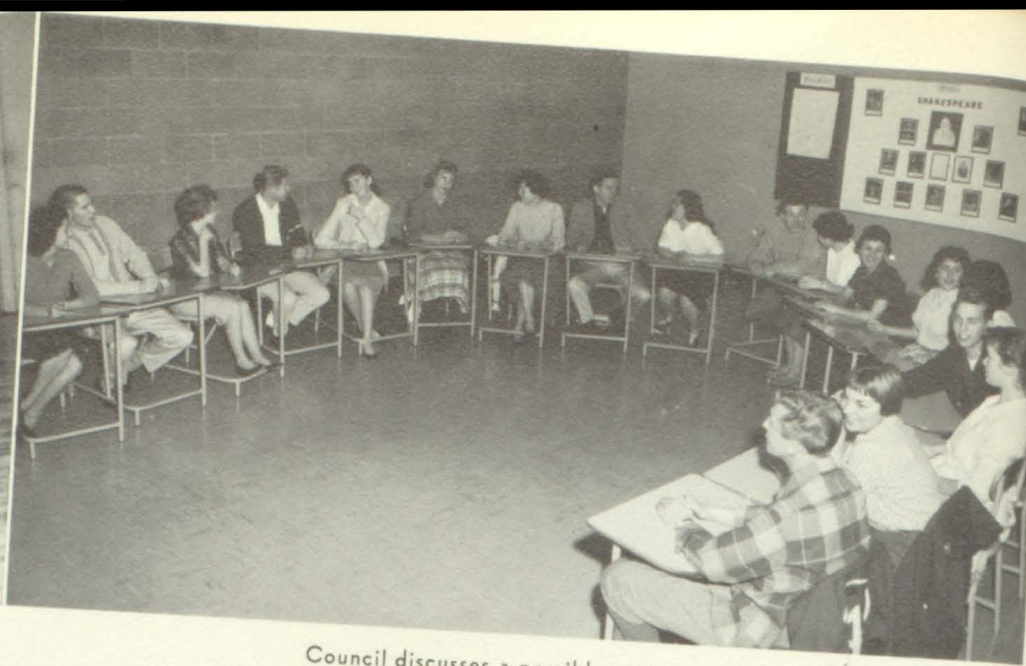

Her favorite sport is "foodball." She could always be found on the sideline rooting for the Colts.

Maria is Logan's first exchange student, who along with other Colts is helping to make Logan traditions.

Trophy soon to be ours.

Pepsters

The Pepsters are a group of boys and girls working together to promote school spirit. Three days a week, they are busy after school painting posters to advertise games, dances, and other school activities. Members patrol rooting sections to see that everyone wears white. Many thanks go to the Pepsters for the great job they have done this year.

Colt's Varsity Football

The first herd of Colts to don Logan grid togs proved to be a big surprise both to the ESCVAL, and the people of Fremont and Union City.

The team was picked by the sports writers of all the papers to finish in the cellar. The Colts came through to place sixth of an eight team league.

The biggest surprise of all came when the Colts dumped their arch rivals, the Washington Huskies 13-6. This inspirational, come-from-behind victory, gave the James Logan Colts proud possession of the "Pop" Goold trophy for the first year in its existence.

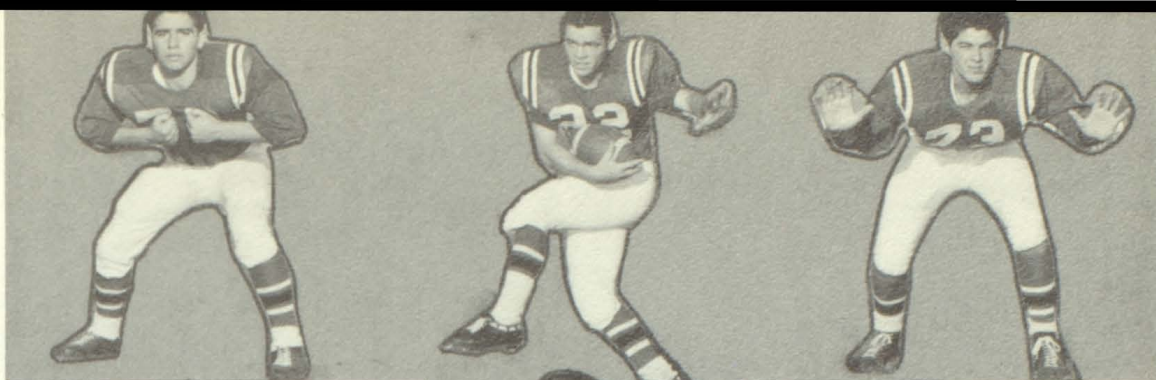

This year's captain and most valuable player was end Rich Winkel who was also an all league honorable mention along with four of his team mates.

Hats off to the coaches and boys of this fine ball club.

"C" Basketball

The James Logan "C" and "D" basketball teams showed a determined brand of play this year that should set the pace for future "netters" to come.

The "C's," led by captain Dennis Silva, compiled a 3-4 record in league play, and an overall 6-6 record for the season.

The "D's," though determined, were less fortunate. They ended the season with a 2-5 record in league, and an overall season record of 2-10. Year captain was Tony Edayan.

Hope you enjoyed reminiscing as much as I did. Yes, the 1959-60 school year was really great. Hope I'm invited again to be a part of the '60-61 annual.
